Since 1995 Music-COMP has been connecting music students with professional composers through an innovative program of sharing and providing feedback for student compositions online. Your student is interesting in becoming involved in this statewide activity.

The mentoring website is not a public site. It is password protected, and open only to participating teachers and students along with a carefully selected roster of professional composer mentors. Examples of student compositions and the mentor process can be found at the public site – [www.music-comp.org](http://www.music-comp.org) - under “Student Work.”

In order for your student to participate in the online mentoring program, we need your permission. This allows us to comply with COPPA guidelines (Child Online Privacy Protection Act), and ensure parental consent and student safety.

Please fill out and return the form below. Be sure to include all information requested. These forms can be scanned and emailed to [matt@music-comp.org](mailto:matt@music-comp.org) or mailed directly to the Music-COMP office at **30 Steeplebush Road, Essex Junction VT 05452**. Individual teachers may choose to collect all the forms and deliver as a whole group to the Music-COMP office.

Please contact me if you have questions or would like further information.  
 Sincerely,

Matt LaRocca  
 Assistant Director, Music-COMP
