

Since 1995 Music-COMP has connected music students with professional composers through a transformative program of sharing and providing feedback for student compositions online. Your student is interesting in becoming involved in this statewide activity.

The mentoring website is not a public site. It is password protected, and open only to participating teachers and students along with a carefully selected roster of professional composer mentors. Examples of student compositions and the process can be found at the public site – www.music-comp.org - under “Student Work.”

In order for your student to participate in the online mentoring program, we need your permission before we can provide the student with an account. This allows us to comply with COPPA guidelines (Child Online Privacy Protection Act), and ensure parental consent and student safety. Our mentoring site is new as of October 1, 2016, so permissions must be obtained from all students before they will be invited into the mentoring posting area. In this new site, Music-COMP administrators add students, not individual teachers.

Please fill out and return the form below. Be sure to include all information requested. These forms can be downloaded and attached or mailed to the Music-COMP office at **30 Steeplebush Road, Essex Junction VT 05452**. *A reminder that the following form must be received **before** the student will be provided with an account for online mentoring.*

Fees: Online mentoring fees apply for each work submitted. Contact your school’s teacher about payment. Independent students may pay the fees online or send a check to Music-COMP. See the fees info on the website at <http://music-comp.org/participation/forms-fees.html> State-wide Opus events in the spring require a performance fee if the student work is selected for the concert performance. The performance fee is \$65.

Please contact Assistant Director, Matt LaRocca, (matt@music-comp.org) if you have questions or would like further information. PLEASE CLEARLY PRINT ALL INFO BELOW EXCEPT SIGNATURE. ELECTRONIC SIGNATURE IS ACCEPTED.
